About Me

Hello, amazing learners! I'm Teacher Atiqah, your dedicated and friendly professional tutor. I'm currently pursuing my PhD at UiTM Shah Alam, and I'm here to make our learning journey exciting and unforgettable!

During my bachelor's degree, I achieved something extraordinary – I made it to the Dean's List, a moment that felt like receiving a gold star for my hard work and dedication. Now, I also hold a Master's Degree in Office System Management, which is like having a treasure trove of knowledge about smart organization and management. Think of me as the captain of a ship, guiding you through the vast sea of information!

Teaching is my true passion, and I've been on this wonderful adventure for two years, helping brilliant students like you discover the wonders of science. I believe learning should be as fun as a playground, full of laughter and excitement. Together, we'll explore the fascinating world of experiments and discoveries, turning every lesson into an adventure!

Currently, I teach Geography for Forms 1, 2, and 3 at Setia Jaya Gombak Tuition Center, where I use creative and engaging methods to keep my students focused. I also teach Science for Years 1-3 in both Malay and the Dual Language Program (DLP), as well as Malay language communication to a student in Dubai, Math for Year 2, 3M, and Mandarin for beginners in private tuition.
