About Me

Hello! I'm an English tutor with a strong passion for language and communication, currently part of the Pandai app team. I have a background in creative writing, content creation, and language studies, which allows me to bring engaging and insightful lessons to my students. My experience as a writer for the LG Gazette and MugenMilano, along with my leadership role in the Modern Language Olympiad 2.0, has honed my skills in teaching, communication, and creativity.

With a Bronze Award in the Virtual Melaka International Intellectual Exposition (V-MIIEX) and a Grade A in English Language by the Ministry of Education Malaysia in collaboration with Cambridge, I'm committed to helping students develop their English language skills in a fun and effective way. Fluent in both Bahasa Melayu and English, I aim to create an inclusive and dynamic learning environment for all my students.

Learning English was always fun for me; I want you to share that glee.
