About Me

Hi there! I'm a passionate English tutor who loves helping young learners grow in confidence and skills

I specialize in teaching English for Year 1 to Year 6 students, making lessons fun, engaging, and easy to understand. Whether it's grammar, vocabulary, reading, or writing, I always find creative ways to bring the language to life

Since 2023, I've been teaching with PANDAI, where I've had the chance to work with amazing students from different levels. I also joined the PANDAI × GX Bank collaboration programme, where I guide Year 6 students in preparing for their UASA exams

My goal is simple: to make learning English enjoyable while helping students feel more confident every step of the way

Let's learn, laugh, and improve together!
