## Tentang Saya

Hey there, lovely people! I'm Teacher Zahida, and let me tell you, I'm head over heels for teaching!

I've been on this thrilling teaching rollercoaster for a good while now, and let me tell you, it's been nothing short of epic! Crafting special lessons for English newbies, intermediates, and pros alike is my jam! Teaming up with the bright minds at AIMST University's English Department, we've cooked up some seriously awesome modules that'll have you learning English with a smile! 😊

Armed with a Bachelor's Degree in EIC (stands for English, I think), I'm all geared up to sprinkle some English magic your way! Oh, and I've had a blast as a substitute teacher at Sk Semeling, spreading knowledge and joy to even more kiddos! In total, I've been rocking the teaching scene for 4 incredible years, and let me tell you, it's been one wild ride! My focus? Primary students at level 1, where I dive into the wonders of Bahasa Melayu and Pendidikan Jasmani dan Kesihatan (AKA staying healthy and being active). Witnessing my students' lightbulb moments and growth is what fuels my teaching fire! I'm all about making learning a blast, so if you're ready for an unforgettable learning adventure, buckle up because we're about to have a blast!

Let's dive into the awesome world of learning together!
